## Security PIN

New for Summer 2017

Camp Crown will be implementing a new check-in/out procedure for all campers. Each family will choose a Security PIN to sign their camper in and out of camp daily. Only one PIN can be assigned to each camper. This PIN should be given to individuals who are permitted to pick up the camper, and no one else.

If you need to have someone other than an authorized pick-up person pick up your camper, you must call to give authorization. You will be asked to give your Security PIN when you call. This person's name will be noted as an authorized pick-up person for that day. Do not give them your Security PIN. They will be asked to present their driver's license upon pick-up and the camper will be signed out by the staff member on duty.

When you sign in your camper at the kiosk, you will be prompted to enter your PIN. Your camper will then be signed into the program in which they are registered for that week. If any balance is due on the account, the system will not permit the camper to be signed in. The same procedure should be followed to sign out the camper at pick-up.

Payment for camp is due on Monday morning of the week that your camper is attending. Automatic payments will be charged early Monday morning. Campers with an outstanding balance when signing in will not be permitted to attend camp until the balance is paid.

Your Security PIN may contain both letters and numbers, **but must begin with a number**. It can be up to 18 characters in length and it is not case sensitive.

Please write your Security PIN here: \_\_\_\_\_
