- What is special? The VERY best combination indoor/outdoor facility for teaching and playing lacrosse on the entire Delmarva peninsula.
- Who is teaching?? Bill Chaires, 3X All American at Princeton University, and the only player in Princeton's 100 year Lacrosse history to make All American status at two positions (attack and midfield) and to graduate as the leading points and goals scorer in the history of the school.
- Why is the Camp is called Princeton All Time Lacrosse Camp? Bill Chaires was selected as a member of Princeton's All Time lacrosse team, and he will actively participate in the camp along with D-1 players from the US Naval Academy!!!
- We are offering a Camp by coaches who excelled in D-1 lacrosse programs, and who can teach what it takes to score goals, get ground balls, make assists, and play proper defense at a D-1 level.
- Why as young as 8? Because many 14 year olds are committing to D-1 college programs.
